

# INSIDE THE MUSEUM

Photography collection  
curated by The Museum Of Silence

“The best introduction to art is to stroll through a museum. The more art you see, the more you’ll learn to define your own taste.”

– Jeanne Frank

“A visit to a museum is a search for  
beauty, truth, and meaning in our lives.  
Go to museums as often as you can.”

— Maira Kalman

“The only way to understand painting is to go and look at it.

And if out of a million visitors, there is even one to whom art means something, that is enough to justify museums.”

– Pierre-Auguste Renoir
